

SOUTH SASKATCHEWAN WILDLIFE ASSOCIATION

AWARDS INFORMATION

*Are you a Bird and/or Big Game Hunter and a current member of the SSWA?
If you want to add more purpose to your fishing or hunting season, keep on reading:*

Each calendar year the S.S.W.A. offers awards to fisherpersons and hunters submitting entries in the various angling and hunting categories. The winner of each category receives complimentary attendance at our annual Awards Night where they can enjoy the meal and participate in the entertainment and draws offered throughout the evening

When you catch a fish OR harvest a bird or big game animal that you feel is worthy of consideration you can submit your entry by filling out the enclosed form and emailing it to the Awards Director, Mike Coupland at mijocoupland@gmail.com

OR make your life even easier and simply provide two pictures via your cell phone: one showing you holding your fish/bird/game and one showing the fish/bird/game on your digital scale so the weight can be easily read

* If using your cell phone to provide digital evidence of your entry: send to Mike at (306) 630-5877

* The digital entry is our favorite as that will provide us with a picture for our photo gallery at the Awards Night

***** In both cases your name and membership number are required *****
